(Retired Officers of Royal Naval Reserve are shown in a separate list at page 723 of Quarterly Navy List, after Retired Officers of the Royal Navy and Royal Marines.)

LIST OF OFFICERS ON THE ACTIVE LIST OF THE ROYAL NAVAL RESERVE ACCORDING TO SENIORITY.

NOTE.—*Officers of the Military Branch marked * have completed 12 months' training in the Royal Navy, and are entitled to the Annual Training Fee of £25 a year in the cases of Commanders and Lieutenants, £20 a year in the case of Sub-Lieutenants, and £10 a year in the cases of Acting Sub-Lieutenants and of Midshipmen. Such Officers will be marked with an additional asterisk (*) in respect of each further period of 12 months' service. Officers marked § have served in the Fleet for one or more short cruises only.*

Those marked † have completed and obtained a certificate in either a Gunnery or Torpedo Short Course, whilst those marked ‡ have completed and obtained a certificate in both Gunnery and Torpedo Short Courses.

*Engineer Officers marked * have completed a three months' course of Instruction at one of the Home Dockyards.*

Officers of the Military Branch whose names are printed in italics are liable to removal from the list for non-attendance at drill (Art. 112), or for having left the sea service (Arts. 113 or 114), or for failure to qualify for promotion to Sub-Lieutenant within the required time (Art. 115). Engineer Officers whose names are printed in italics are liable to removal from the list for not being employed in accordance with the Regulations (Art. 117), or for failing to report themselves (Art. 118). Such Officers should therefore forward without delay any explanation they may have to offer for their non-compliance with the Regulations.

The names of Honorary Officers who have not held rank on the Active List are shown after the List of Officers on the Active List. Retired Officers are shown in a separate List at page 723 of Quarterly Navy List.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships,

Admiralty. C. I. THOMAS.

In Ships (including Torpedo Boats) in Commission, Engineer Officers in charge of the Machinery are allowed Charge Pay varying from 1s. to 5s. a day, the rate for each Ship being determined by the Admiralty.

In order to maintain a just proportion between the rates allowed for older and for modern ships, it is open to their Lordships to revise rates of Charge Pay upon occasions of commissioning or recommissioning.

In Ships (including Torpedo Boats) in the Fleet and Dockyard Reserves an allowance of 1s. a day is payable to Engineer Lieutenants of less than eight years' seniority, Engineer Sub-Lieutenants, Artificer Engineers, or Chief Petty Officers of the Engine Room Staff, when in charge of the engines of such vessels.

In Ships in Commission of 3,000 indicated horse-power and upwards, an allowance varying, at the discretion of the Admiralty, from 1s. to 2s. 6d a day, and in Ships in the Fleet and Dockyard Reserves an allowance of 6d. a day is payable to the Senior Engineer Officer (if not holding rank of or above Engineer Lieutenant of 8 years' seniority) or to the Chief Petty Officer of the Engine Room Staff acting as such.

Engineer Commanders or Engineer Lieutenants of 8 years' seniority and upwards in Flag Ships . . .	45 12 6 to 91 5 0	0 2 6 to 0 5 0

* The pay of 16s. a day, together with the right to wear the uniform of the increased rank of Engineer Lieutenant of 8 years' seniority to be dependent on his obtaining a qualifying certificate and on being selected.

† As a temporary arrangement the rank of Engineer Commander may be granted to Engineer Lieutenants after 12 years' service as such. Officers who thus obtain accelerated advancement in rank will continue to draw pay at Engineer Lieutenants' rates during the periods they hold the higher rank as the result of this arrangement.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

For every complete six months' service abroad . . . . . One week
For every month served beyond the last period of six months. . . One day
This scale to extend to a period of five years' absence from England.

All such Officers holding appointments in His Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10*l.* a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been guilty of misconduct.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Commissioned Warrant Officers, Warrant Officers, and Chief and other Officers of Coast Guard in such cases as may be for their advantage, may be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

All Commissioned Warrant Officers and Warrant Officers who have been dismissed from His Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 1930A of the King's Regulations.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—*For Tables of Full, Half, and Retired Pay, and Gratuities, see pp.* 773, 793.

NAVAL OFFICERS.

I.—*General Rules.*

1. After the award of retired pay, no increase of such pay to be allowed to any Officer, except as provided in the Regulations for Officers on the Reserved or Retired Lists when called into Active Service in time of war or emergency (*see* p. 941). The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay, or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (*a*) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(*b*) An Officer placed on the Retired List under Clause (*a*), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(*c*) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(*d*) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(*e*) Sub-Lieutenants and Assistant Paymasters, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (*a*), may be awarded gratuities not exceeding 25*l.* for each year's service in these ranks, or 250*l.* in all.

(*f*) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit: provided that such allowance shall in no instance exceed one third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

(*g*) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (*a*), may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(*h*) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers, and Sub-ordinate Officers of all ranks.

36. An Officer, above the rank of Captain, who is found by a medical board to be permanently incapacitated for further service is, if his service entitles him to retired pay on voluntary retirement, to be at once placed upon the retired list, receiving retired pay, as laid down at pages 805 and 806.

(*Extract from Order in Council of 15th January*, 1878.)

37. "Officers incapacitated by illness, &c., after only short service to be granted instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of Annuity, upon the following conditions, which are the same conditions as those imposed upon Army Officers by the 151 and 152 Articles of the recent Royal Warrant, viz.:—

"An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted *in and by* the performance of military duty, as certified by a Medical Board, may be granted temporary half-pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted *in* the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused *in and by* the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half-pay, after not less than one year upon temporary half-pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted *in* the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225*l.* a year at 42 years of age."

(*Extract from Order in Council of 30th November*, 1882.)

38.—(*a*) An Officer who becomes temporarily unfit for service in consequence of wounds or injuries received while on duty, or ill-health certified by the Medical Director-General to have been contracted in the Service, may, if the Admiralty considers the circumstances under which the disability was contracted are not such as to preclude the grant of half-pay, be granted half-pay until he recovers, and an opportunity occurs for his re-employment.

Such Officer shall not, however, remain on half-pay beyond the date to which he would be otherwise subject to retirement, and he shall be subject to retirement as specified in the following clause.

Except in the case of wounds or injuries received on duty, the officer must be of three years' seniority in the Royal Marines.

(*b*) An Officer, after remaining not less than one year on half-pay, if reported by the Medical Director-General to be permanently unfit for further service, may be placed on the retired list, with retired pay according to the scale laid down at page 806, provided he has been upon full pay for a total period of five years in the case of an Officer whose disability has been incurred in and by the Service, and of 12 years in other cases.

(*c*) An Officer, who entered the Service before 1st April, 1870, shall be allowed a rate of retired pay not less than that which would have been granted to him under the Orders in Council of 22nd February, 1870, and 5th February, 1872; and an Officer who entered after 1st April, 1870, but before 1st July, 1881, may, at the discretion of the Admiralty be granted a retired allowance under the conditions contained in paragraphs 12 and 13 of the Order in Council of 15th January, 1878.

41. An Officer who has not been in receipt of a Good Service Pension while serving as Deputy-Adjutant General, and whose half or retired pay after vacating the appointment falls short of 950*l.* a year, is to be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of £950 a year, a reduction is to be made in the half or retired pay proportionate to such excess.

42. Lieutenant-Colonels and Colonels of Marines to be allowed to receive in retired pay together with Good Service Pension a sum not exceeding 600*l.* a year, but should the two together exceed that sum they will be retired on 600*l.* a year, relinquishing the Good Service Pension.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

Her late Majesty, by Her Order in Council of 25th June, 1851, having been graciously pleased to sanction certain arrangements, proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals and 51 Rear-Admirals: this reduction will be effected as follows, viz.:—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag under the Order in Council of 30th June 1837. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.
2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.
3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.
4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.
5. Flag Officers, at present on the Active List, who may be retired under these Regulations will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.
6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals . . (But not to be more than three Admirals of the Fleet at one time.)	21
Vice-Admirals	23
Rear-Admirals	41
Total .	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above whether they have served or not.

CAPTAINS.

1847.

The plan of retirement published in the London Gazette of 1st Sept. 1845, and carried out by Order in Council of 24th April 1847, provides:—

1st. That the rank of retired Rear-Admirals shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usua restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-Pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List, will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.:—

1st, as vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, the Sovereign's undoubted right of selection. Those Captains will rise to their Flags, who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100. E

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem
If on 12*s.* 6*d.* . . . . . 20*s.*
on 14*s.* 6*d.* 21*s*

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when retired . . . . . 18s. per diem
If on the 12s. 6d. " " " } 20s.
If on the 14s. 6d. " " " }

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire irrespective of age, at the several rates of 18s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service at the rate of 16s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of 50, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300 no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals. B.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a day; subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have already attained or may hereafter attain the rank of Rear Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860, to be allowed more than the pay of 20s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by the Order in Council, to be subjected to compulsory retirement on attaining the age T. of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two of every three vacancies caused by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75l. per annum if otherwise entitled thereto.

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus: I.

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3. By placing on reserved half-pay all Commanders who have not served afloat or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. *(This list was abolished in May, 1863.)*

1856.

1. That the List of Captains on the Reserved List established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 10th August 1840, and increased by Order in Council of 25th June 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

1860.

All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half-pay according to their length of Sea Service, on the scale herein-after mentioned.

Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as herein-after mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.

EXTRACTS FROM THE KING'S REGULATIONS AND ADMIRALTY INSTRUCTIONS.

FROM CHAP. I.—GENERAL REGULATIONS.

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

§ XVI.—UNIFORM.

155. In accordance with the provisions of Art. 4 the Uniforms directed to be worn are specified and described in the Book of Uniform Regulations, and are also published from time to time in the Navy List.

2. The prescribed patterns are to be strictly adhered to.

When to be Worn.

156. Every Officer, from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Public Occasions.

2 At Reviews, Public Balls or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their ships may be lying, Officers are to wear the uniform of their rank, as prescribed for the various occasions specified in the Uniform Regulations under "Dresses, and occasions on which they are to be worn," and no deviations are to be authorised without special authority previously obtained from the Admiralty.

Not at Fancy Balls.

3 Officers are not to wear Naval Uniform at Fancy Dress Balls. They are not prohibited, however, from appearing at such Entertainments in uniforms of a date anterior to 1843.

Plain Clothes.

4. Permission may be given to Officers to wear plain clothes on ordinary leave.

Subordinate Officers.

5. Subordinate Officers, when on ordinary leave are to wear the uniform of their rank; but permission may be granted to them to wear plain clothes when going into the country, or to ride, shoot, play cricket, or for exercise.

Foreign Ports.

6. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of uniform, as in such cases they have no right to expect to be recognised as British Officers.

Marines

7. Officers of the Royal Marines are to wear their full dress on the occasions when ball dress and frock coat with epaulettes dress are worn.

Officers on Retired and Reserved Lists.

157. Officers on the Retired and Reserved Lists whose names appear on the list of the Navy, are permitted to wear the uniform of their respective ranks on State and other occasions of ceremony.

§ XIX.—MANNER OF WEARING DECORATIONS, ORDERS, AND MEDALS.

Knights Grand Cross.

169. The insignia of Knights Grand Cross, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress and ball dress; with the former the Ribbon should be worn under the epaulette and sword belt; with the latter, under the coat and over the waistcoat. With full dress, on collar days, the collar takes the place of the ribbon.

2. With frock coat and epaulettes the Star of the order only is to be worn. With frock coat the Star may be worn at discretion.

3. With uniform coats other than full dress and ball dress the ribbon of a Companion of the Order is to be worn, except that with mess dress, miniature Badges but not Stars may be worn in lieu, and with mess undress, miniature Ribbons.

Knights Commanders.

4. The insignia of Knights Commanders of Orders, consisting of the Badge suspended from a ribbon round the neck, and the Star, are to be worn with full dress, ball dress, and frock coat with epaulettes. The ribbon should be worn inside the collar of the coat and under the neck tie. The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

5. With the frock coat the Star only may be worn at discretion.

6. With uniform coats, other than full dress and ball dress, the rules laid down in clause 3 are to be observed.

Badges of Companions of Orders, and Medals.

7. The Badges of Companions of Orders are to be worn, together with Medals, with full dress and ball dress, but in the circumstances stated in clause 12, miniature Badges and Medals may be worn with the latter dress.

8. With all other uniform coats the rules laid down in clause 3 are to be observed.

9. The several Decorations, Badges and Medals are to be worn on the left breast in one horizontal line one inch below the point of the shoulder, suspended from a single bar, of which no part is to be seen, and commencing with the end furthest from the shoulder.

The above order of Decorations applies to those of similar grades. When the miniature of a higher grade or a junior Order is worn with the miniature of a lower grade of a senior Order the higher grade miniature should come first, e.g., the miniature of a K.C.I.E will come before a C.B, and a G.C.M.G. before a K.C.B.

b. Foreign Decorations.—In order of date.

c. Foreign Medals.—In order of date.

* These orders are not worn in miniature.
In Undress Uniform no Badge of an Order will be worn round the neck except the Order of Merit.
† Order of Merit comes immediately after G.C.B.; it is not worn in miniature, but is to be worn round the neck on *all* occasions.

Full Dress.

11 On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders, and Medals cannot on account of their number be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Length of bar, ball dress.

12. With ball dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of Decorations, Orders and Medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Buckles of Companions of Orders.

13 The Buckles of the Companions of the Orders of the Bath and of St. Michael and St. George, are, as part of the Badge of the Order, to show half way between the upper and lower edge of the ribbon.

Humane Society's, and other like Medals.

14. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

Length of ribbons.

16. The ribbons of Decorations, Orders and Medals are to be of the following lengths—

a. When Decorations, etc., are worn:—

Full size	1 inch
Miniature	⅜ inch

b. When the Ribbons alone are worn:—

Full size	½ inch
Miniature	⅜ inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

17. When ribbons, either full sized or miniature, are required to be sewn on the uniforms, the same order of arrangement is to be followed, as that laid down in clause 10, for Decorations, Orders and Medals. Knights Grand Cross and Knights Commanders will however add the ribbon of a Companion of the order, or orders, to which they belong under clauses 3 and 6. The ribbons are to be sewn plain on the cloth of the uniform, without intervals: and when the space between the shoulder to the edge of the lapel is insufficient to accommodate them in one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other, with an interval of ¼ inch intervening between each row.

Decorations, &c., with White Uniform.

18. When white undress is worn in lieu of the dress "Frock coat and epaulettes," the provisions of clauses 2 and 4 are to apply.
The ribbons, as ordered in clause 17, are to be worn on the same occasions on a removable bar.

Miniature Decorations, Badges and Medals.

19. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross and Knights Commanders willwear thereon, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong, omitting the Buckle in the case of the Orders of the Bath and of St. Michael and St. George.
The precedence of the various Orders of Knighthood concerned is as shewn in Clause 10 for the Companions of those Orders.

20. If necessary the bar should extend over the lapel of the coat.

Decorations, &c., may be worn with plain dress.

21. Stars of the Orders, and miniature Decorations, Badges of Orders, and Medals, are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroys, and of Governors-General, and on public and official occasions.

NOTES TO DRESS REGULATIONS FOR SHIPS' COMPANIES.

1. By *collars* is to be understood the detached blue jean collar.

Neck-handkerchiefs are always to be worn except by men employed coaling or re-fitting. They are to be tied behind the collar, the bight in front being confined by the strings, which, having been first tied together, are to be tied tightly in a bow over the handkerchief, leaving a bight of it about 3 inches long; the handkerchief should thus be firmly secured to the jumper.

3. *Knife lanyards* with *knives* attached are to be worn by all men wearing seamen's dress.

4. *Caps*, which are always to be worn, except as shown in paragraph 5, are to be square on the head.

5. *Hats* are to be worn: (*a*) During the summer season, weather permitting, with blue clothing; on occasions of ceremony; and on Sundays on board ship or in barracks, as ordered by the Senior Officer present. (*b*) Always with No. 6 Dress. (*c*) At any time as a protection from the sun, if ordered by the Senior Officer present.

Hats are not to be worn at sea, unless specially ordered as a protection against the sun.

6. *White caps or cap covers* are to be worn when any white clothing is worn. They are also to be worn with blue clothing.

(*a*) At Home. From 1st May to 30th September inclusive;

(*b*) Abroad. At the discretion of the Senior Naval Officer present.

7. *Ribbons* on hats and caps are to be worn with the name straight in front, and tied in a bow over the left ear, in such a manner that the centre of the lettering on the ribbon is over the nose.

The ends of the bow are to be 3 and 4 inches long respectively, the shorter end being in front.

8. *Jerseys* are to be worn with blue clothing, and with white working dress during cold weather, as directed by the Senior Naval Officer present. [*In England, when once commenced, jerseys should be continued to be worn until about the beginning of April.*]*

NOTE.—The best way of restoring the shape of the jersey is by thorough washing.

9. *Comforters* are only to be worn during exceptionally cold and raw weather, and during night watches (under these circumstances blue worsted gloves or mitts may be worn); during the daytime they are only to be worn when specially ordered, or by individuals, temporarily, on the Medical Officers recommendation. They are to be worn as follows: One turn round the throat, and a half hitch, and the ends tucked inside the jumper and trousers.

10. *Overcoats* may be worn by men on duty or leave in cold or wet weather, the Blue Jean collar being worn inside.

Petty Officers and Leading Seamen, and equivalent ratings, are to wear their badge of rating embroidered in red on their overcoats. No other badges are to be worn.

Coastguard men may wear loose flushing jackets instead of overcoats.

11. All *jumpers* are to be cut down 10 inches from the collar, the strings being 9 inches below the collar.

The junction of the sleeve with the body is to be at the point of the shoulder.

* Discretionary power is given to the Captains of Boys' Training Establishments on this point.

12. *Boots* or *shoes* are to be worn when men are in blue clothing, except when decks are wet, and in hot climates.

Brown canvas shoes, of approved pattern, may be worn on board at the Captain's discretion.

13. *Cycling Dress.*—Men cycling on duty are to wear the Service Brown gaiter (to be supplied to them on loan).

14. *Mourning.*—If men are for private reasons desirous of wearing mourning, they are to be allowed to wear a band of black crape, 2 inches wide, and of double thickness, round the left arm, midway between the point of the shoulder and the point of the elbow.

On public occasions the men are not to be required to wear mourning.

Distinguishing Badges.—General Remarks.

REGULATIONS FOR ENTRY OF NAVAL CADETS.

1. All Naval Cadets enter the Service under identical conditions, and are trained together until they pass for the rank of Lieutenant.

2. After passing for the rank of Lieutenant, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or Marine duty.

3. As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

4. Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

5. Candidates must be of pure European descent, and the sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

6. Every Candidate (except Colonial Candidates who are being educated in the Colonies) will be required to present himself before a Committee, which will interview each applicant separately.‡

Appointments to Naval Cadet ships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Qualifying Literary Examination in educational subjects (*vide* par. 11), and a Medical Examination *vide* par. 10).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

The Interviewing Committee will sit shortly before the date fixed for each Qualifying Literary Examination.

7. Members of the Board of Admiralty (other than the First Lord) have the privilege of specially recommending one Candidate each time.

A Flag Officer or Commodore 1st Class appointed to the Chief Command of a Naval Station, or to a separate command, and a Captain, R.N., on first appointment to the command of a ship in *full* commission, is allowed to recommend specially one Candidate, provided the privilege is exercised within six months of appointment and that the Candidate recommended is not less than twelve years of age at the time.

The Governments of certain Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Colonies.

All the specially recommended Candidates (with the exception of Colonial Candidates actually residing out of the United Kingdom) must be also recommended by the Interviewing Committee, and all such Candidates, without exception, must pass the Qualifying Educational Examination.

8. The Qualifying Examinations are held in March, July and December, and the appointments date from the 15th May, 15th September, 15th January, following, respectively.

9. *Candidates are eligible only for one interview and Qualifying Examination.

Candidates for examination in—

March must be not less than 12 years and 8 months nor more than 13 years of age on the following	..	..	..	15 May
July	do.	do.	..	15 Sept.
Dec.	do.	do.	..	15 Jan.

10. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision —as determined by Snellen's tests—is required. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. This may be obtained on application.

11. †The Qualifying Examination is in the following subjects :—

(1.) English (including writing from dictation, simple composition and reproduction of the gist of a short passage twice read aloud to the Candidates.)

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

† NOTE.—Copies of the papers set at one of the examinations held in each year are published by the Oxford and Cambridge Schools Examination Board, and may be obtained from the following :—Clarendon Press Depository, 116, High Street, Oxford; Henry Frowde, Amen Corner, London; Cambridge University Press Warehouse, Fetter Lane, London; Deighton, Bell and Co., Trinity Street, Cambridge.

‡ Applications should be addressed to the Assistant Private Secretary to the First Lord, and should not be made until the Candidate has reached 12 years of age. The applications must be received at the Admiralty:

(5.) French or German, with an oral examination, to which importance will be attached.

(6.) Latin (easy passages) for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order.

12. For all Cadets entered under these regulations the payment will be at the rate of £75 per annum for the period under training, to be paid every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered at each Examination, a limited number being sons of officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be £40 only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the Cadet

Applications for the Reduced Scale must be received at the Admiralty not later than 1st January, 1st May, and 1st September.

Parents or guardians are further required to make a private allowance of £50 per annum to Cadets from the expiration of their period of training until they reach the rank of Acting Sub-Lieutenant.

13. In addition to the annual payments mentioned in the foregoing paragraph, the parent or guardian is charged with the cost of outfit and personal expenses incurred by the Cadet for washing, repairing boots and clothes, pocket-money, instruments, school books sports, &c.

14. The period of training in the Colleges is four years; there are three terms in each year. The first term of each year is approximately from 15th January to 15th April, the second from 7th May to 7th August, and the 3rd from 15th September to 15th December.

The vacations are four weeks at Christmas, three weeks at Easter, and six weeks at Midsummer.

15. It is to be distinctly understood that the period of training is a time of probation, and the parent or guardian of every Cadet is required to sign a declaration, on the admission of the Cadet, to the effect that he shall be immediately withdrawn on the receipt of an official request for his withdrawal

The Lords Commissioners of the Admiralty reserve to themselves full discretion to request the withdrawal of any Cadet from the Royal Naval College, if after a sufficient trial he is in their opinion, for any reason, unsuitable for the Naval Service. This discretion will, as a rule, be exercised at the end of the first year, but the proficiency and progress of the Cadets will be periodically determined, and they may be required, if necessary, to withdraw at a later stage.

16. (*a*) Reports of progress and conduct are made to the Admiralty at the end of each year of the Cadet's study.

(*b*) In all subjects of instruction the principle will be followed of giving merit marks for current work. At the end of each year of training the Cadet's proficiency and progress is determined, partly by examination, and partly by the marks gained for current work during the year.

(*c*) Cadets who fail to reach a certain standard, or who, for any reason, are considered unsuitable for the Naval Service, may be required to withdraw at any time.

This rule will apply to those who do not show an aptitude for Naval life, as well as to those who make insufficient progress, or whose constitution is weak, although no disease may have developed.

17. Cadets whose conduct is unsatisfactory may at any time be required to withdraw.

18. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

19. No pay is allowed by Government to Cadets in the training establishments. The pocket-money allowed to Cadets is charged to the parents.

NAVAL CADETS (NEW SYSTEM).

REGULATIONS RESPECTING CADETS WHILE AT THE ROYAL NAVAL COLLEGE AT OSBORNE AND DARTMOUTH.

(For the information of Parents and Guardians.)

ADMIRALTY, *April* 1907.

1. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of four years, of which two years will be at Osborne and the remainder at Dartmouth; there will be three terms in each year.

Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (near Portsmouth Harbour Station) shortly before 3 p.m. on the day appointed for joining. Cadets rejoining the College will be expected to make their own arrangements for doing so.

2. The terms are from about the following dates:—

15th January to 15th April,
7th May to 7th August,
15th September to 15th December

and the Vacations are

four weeks at Christmas,
three weeks at Easter, and
six weeks at Midsummer.

3. The friends of the Cadets must be prepared to receive them during all the Vacations.

4. The following payment is required from the Parents or Guardians of each Cadet while in the Training Establishments as a contribution towards the cost of his education:—

At the commencement of each term £25, except in the case of those received at the reduced rate of £40 a year, whose payments will be £13 6s. 8d. only. Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for these sums as they become due, and the money should be at once remitted.

5. In addition to the above payments, any expenses incurred by a Cadet for clothing, books, washing, &c., as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

6 All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

7. Inasmuch the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and that the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

8. Any valuable Gold Watches or Chains brought by Cadets will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

9. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with Cadets when they go on leave.

10. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

11. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his not being received.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

12. All letters relative to the Cadets should be addressed as follows:—"*The Commanding Officer*, Royal Naval College," and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, communicate the same to the Admiralty and to the Commanding Officer of the College without delay.

13. The course of study includes the following subjects:—

Mathematics with Geometrical Drawing.
Physics, Mechanics, and applied Mechanics, with laboratory work.
Engineering, with workshop practice and Mechanical Drawing.
Seamanship
Navigation.
French, with German later.
English Grammar and Composition.
English Literature.
History, including Naval History.
Geography.
Bible Study.
Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshop and Instructional Steamboats attached to the Colleges.

14. In addition to the lessons which the Cadets receive in the Instructional Steamboats, they are, while at Osborne, sent out for a period of about a week in a Training Cruiser in order that they may acquire an early familiarity with the actual working conditions of sea life.

During the cruise a large proportion of time is given to Practical Engineering, Seamanship, and Navigation.

15. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination, and partly by the marks gained for current work.

16. Cadets who fail to attain a certain standard, or who, for any reason, are considered unsuitable for the Naval Service, may be required to withdraw at any time.

This rule will apply to those who do not show an aptitude for Naval life, as well as to those who make insufficient progress, or whose constitution is weak, although no disease may have developed.

17. Cadets whose conduct is unsatisfactory may at any time be required to withdraw.

18. It is to be distinctly understood that the period of training is a time of probation, and the Parent or Guardian of every Cadet is required to sign a declaration on the admission of the Cadet, to the effect that he shall be immediately withdrawn on the receipt of an official request for his withdrawal. The Lords Commissioners of the Admiralty reserve to themselves full discretion to request the withdrawal of any Cadet if, after a sufficient trial, he is, in their opinion, for any reason unsuitable for the Naval Service. This discretion will, as a rule, be exercised at the end of the first year; but the proficiency and progress of the Cadets will be periodically determined, and they may be required, if necessary, to withdraw at a later stage.

19. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

C. I. THOMAS.

By command of their Lordships,
Admiralty, *28th Feb.*, 1905. EVAN MACGREGOR.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following points may be submitted as those upon which Candidates will, previous to entry, be physically examined at the Admiralty.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical Examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Full normal vision is required as determined by Snellen's tests, each eye being separately examined, for all Candidates for appointments in the executive or engineer branches, and for the Royal Marines.* Full normal vision is not required for Candidates for other branches of the Royal Navy, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and each case will be specially considered on its merits.

5. Impaired hearing, or discharge from one or both ears, or any disease of the external, middle, or internal ears.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus or disease of the naso-pharynx.

* Under present regulations candidates for the Royal Marines are examined by an Army Medical Board, and must conform to the Army Medical Regulations. When the direct entry of candidates into the Royal Marines ceases, all candidates will come under the above regulations.

7. Disease of the throat, tongue, palate, or tonsils; many unsound teeth,† unhealthy gums, disease of the glands of the throat or neck, external cicatrices, if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, phthisis, hæmoptysis, bronchitis, asthma, dyspnœa, aphonia, chronic cough, or any symptom of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

† *i.e.*—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors on both sides. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

10. The existence of any defect of the genital organs, or of varicocele.

11. Any disease of the stomach or bowels.

12. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the legs. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

13. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has had small pox, or has been vaccinated. Before joining he must produce a certificate of having been re-vaccinated since infancy.

It is requested that in the case of a nominated candidate, should the preliminary private examination make it apparent that he is not likely to pass the subsequent official physical examination, the Admiralty may be informed of the fact without delay.

(1) His age and date and place of birth.

(2) That he is of pure European descent* and the son either of natural born British subjects, or of parents naturalised in the United Kingdom

(3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.

(4) That he is ready to engage for general service at home or abroad, as required.

(5) Whether he holds, or has held, any commission or appointment in the public services.

(6) That he is registered under the Medical Act in force as duly qualified professionally, and what diplomas, &c., he holds.

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

5. The certificates of registration, character, and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, 18, Victoria Street, S.W.

6. The examination will consist of two parts as follows:—

I. Compulsory subjects.

II. Voluntary subjects.

The admission of candidates will be determined solely by the number of marks gained in the compulsory subjects. Successful candidates who qualify in voluntary subjects will have the marks so obtained added to those gained in the compulsory subjects, and their position on the list will be determined by the total of marks for both compulsory and voluntary subjects.

Candidates will be examined by the Examining Board in the following compulsory subjects, and the highest number of marks attainable will be distributed as follows:—

	Marks.
(*a*) Medicine, materia medica, therapeutics and general hygiene	1,200
(*b*) Surgery and surgical anatomy	1,200

The examination in Medicine and Surgery will be in part practical and will include, beyond papers, the examination of patients, the examination of pathological specimens, a knowledge of bacteriology, the performance of operations on the dead body, and the application of surgical apparatus. The attention of Candidates is especially drawn to the importance of the section of Operative Surgery, as a competent knowledge in this subject is essential in order to qualify for a Commission.

No Candidate shall be considered eligible who shall not have obtained at least *one-third* of the maximum marks in each of the above *compulsory subjects*.

7. Candidates may be examined in the following voluntary subjects, for which the maximum number of marks obtainable will be:—

	Marks.
Natural Sciences:—Chemistry (300); Physiology (300); Zoology (300); Botany (300); Geology and Physical Geography (300) ..	600
No Candidate will be allowed to present himself for examination in more than two of these subjects.	
French and German (300 each)	600

A number less than one-third of the marks obtainable in each of these *voluntary subjects* will not be allowed to count in favour of the Candidate who has qualified in the *compulsory subjects*

The knowledge of modern languages being considered of great importance, all intending competitors are urged to qualify in French and German.

N.B.—The examination in Chemistry will include the general principles of inorganic and organic chemistry, the preparation and properties of the chief non-metallic and metallic elements and their compounds; the preparation, properties and classification of the most important compounds such as marsh gas, ethylene, acetylene, methyl and ethyl alcohols, glycerin, ether, formic, acetic, lactic, and oxalic acids; cyanogen and cyanides; carbohydrates; fats; proteids.

The examination in Physiology will comprise the minute structure and functions of the various tissues and organs of the body; the physiology of the blood; the nature of food and the processes of its digestion; the mechanics of the circulation and of respiration; the physiology of nutrition, secretion and excretion; animal heat, the nature of sensation, volition, reflex action, inhibition and influence of the nervous system on other organs and their functions

The examination in Zoology will include the general principles of biology and a comparison of animals with plants; the distinctive characters of the larger groups of animals—the protozoa, coelenterata, vermes, arthropoda, mollusca, echinodermata, and vertebrata—as illustrated by common types: the elements of embryology; animal parasites.

The examination in Botany will comprise the general principles of the morphology and physiology of low forms of life, *e.g.*, torula, bacteria, spirogyra moss fern; the general morphology of flowering plants; diagnosis of the important British natural orders; medicinal plants.

The examination in Geology and Physical Geography will be limited to general principles, such as the relations of the earth to the rest of the solar system; nature of the earth's crust and the chief kinds of rocks, general configuration of land and water mountains, plains, islands, rivers, lakes, glaciers and icebergs, ocean currents, tides, winds, storms, dew, rain, climate, volcanoes, earthquakes, distribution of animal and vegetable life.

8. **The appointments announced for competition will be filled** from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually:—

(*a.*) **Two Candidates**—proposed by the governing bodies of Schools of Medicine in the United Kingdom—who have satisfactorily filled the office of House Surgeon in a large Civil Hospital for at least six months.

(*b.*) **Not more than six Candidates**, according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy, and are to be certified by the governing body proposing them as duly qualified according to the regulations in force for the entry of Candidates.

In cases of Colonial nominations, registration of professional qualifications, as required by Clause 2 of these Regulations, may be deferred until after the arrival in England of a Candidate who has been passed on the Station,—but a commission as Surgeon will not be granted until the Certificate of the Registrar of the Medical Council has been produced at the Medical Department of the Navy.

Candidates from schools at home will be required to pass a physical examination in London, which will be arranged for by the Medical Director-General. Colonial Candidates will have to pass a physical and test examination before a Board of Naval Medical Officers on the station.

9. **Successful Candidates**, immediately after passing their examination, will receive commissions as Surgeons in the Royal Navy, and will undergo a course of practical instruction in Naval Hygiene, &c., at Haslar Hospital.

Three prizes of the approximate value of 10*l* each will be awarded at the close of each session at Haslar to the students who have shown the greatest proficiency.

10. **A fee of 1***l* will have to be paid by each Candidate to entitle him to take part in the competition.

11. **Surgeons on entry** are only required to provide themselves with a pocket case of instruments, a stethoscope and three clinical thermometers. All other instruments are provided at the public expense

12. **Every Medical Officer** will be required to undergo a post graduate course of three months' duration at a Metropolitan Hospital once in every eight years (should the exigencies of the Service permit), and this as far as possible during his surgeon's, staff surgeon's, and fleet surgeon's period of service. While carrying out this course the Medical Officer will be borne on ship's books for full pay, and will be granted lodging and provision allowances. The repayment of travelling expenses to and from his home or Port will be governed by the King's Regulations. The fees for each course (not exceeding £25) will be paid by the Admiralty on the production of the necessary vouchers at the end of the course. The Medical Officer will be required to produce separate certificates of efficient attendance in the following—

I. The medical and surgical practice of the hospital, including instruction in anæsthetics.

II. A course of operative surgery on the dead body.

III. A course of bacteriology.

IV. A course of ophthalmic surgery, particular attention being paid to the diagnosis of errors of refraction.

V. A practical course of skiagraphy.

Promotion.

* * * * * *

The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and those at the conclusion of the Haslar course, and their names will then be placed in the Official Navy List, except in the case of Candidates who hold, or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital. These Candi-

dates will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over they will join the next Haslar Course and will be required to obtain qualifying marks. Surgeons entered without competition* will take seniority next after the last surgeon entered at the same time by competition.

*See Clause 8 of the Regulations for Entry.

The examination for promotion to the rank of Staff Surgeon will be held by the Examining Board, to which a Naval Medical Officer will be attached to conduct the examination in Naval Hygiene. The subjects of examination will be in writing, and will include :—

Medicine.
Surgery.
Pathology,
General Hygiene.
Naval Hygiene.

Earlier promotion to the rank of Staff-Surgeon may be granted to those Surgeons who, before entry, have held the post of House Surgeon to a civil hospital of not less than 100 beds for a period of not less than six months, provided their conduct and professional abilities have been favourably reported on during the time they have served in the Navy. They may be granted from six months' to one year's seniority, according to the time they have held their civil appointments as House Surgeon, but in no case will more than one year's seniority be granted

This only applies to officers who enter by competition.

A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment will also be decided by the Medical Director-General.

The special attention of Candidates is directed to the rules under which Officers are allowed to withdraw from the Service with a gratuity of £500 after 4 years' full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers (*see below*).

The remaining paragraphs refer to the pay, retirement, &c., of officers, information respecting which is to be found in the Navy List, under the Tables of Full and Half Pay, and under the rules for retirement, &c., of officers. Copies of the Regulations will be furnished to Candidates on application.

A certificate, drawn up in the necessary form, will be sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return to the College, will entail his being isolated until the certificate is received.

9. The Cadets will draw pay while on leave.

When absent on account of injuries or sickness from causes beyond their own control they will not be deprived of pay until such absence amounts to six months in the aggregate during any period of twelve months, at the expiration of which time a special report is to be made to their Lordships.

While the Cadets are being instructed in Shipbuilding they will be under the direction of the Chief Constructor.

12. Those Cadets who fail to make satisfactory progress, or are guilty of persistent misconduct, will be discharged.

It is to be distinctly understood that the period of training in the College is a time of probation, and the parent or guardian of every Cadet must understand that it is a condition of such Cadet joining that he shall be immediately withdrawn on the receipt of an official intimation requiring such withdrawal, or in the event of the Cadet not obtaining a Commission at the end of his training. Such a request for withdrawal may be made for reasons of health or physique.

In the event of serious misconduct on the part of Senior Cadets, which may not be of such a nature as to entail dismissal, their appointments as Engineer Sub-Lieutenants will be withheld for such period as may be considered necessary, after passing for this rank, on the completion of their period of training. During this period they will be employed in the Workshops only, and their conduct will be reported to the Admiralty quarterly.

Those who do not succeed in obtaining commissions will be discharged unless special permission is granted for them to remain for a further period of instruction. Those who are selected for commissions may be retained in the College for a fifth year at the discretion of the College Authorities. Cadets retained for a fifth year will be examined in the papers of the fourth year with such additions and omissions as may be considered necessary.

14. A Cadet who in any year fails to pass a satisfactory standard will be dismissed unless reasons satisfactory to their Lordships are given by the College Authorities for his retention.

15. No Cadet can obtain his commission as Engineer Sub Lieutenant until he has satisfactorily completed his workmanship course and has passed the Examination held by the Reserve Officers.

16. Cadets showing special fitness may, on the recommendation of the Director of Naval Education, be selected to proceed to the Royal Naval College, Greenwich, for a further course of instruction

17. The class of certificate awarded to those Cadets who proceed to Greenwich will be determined by the result of their subsequent examinations there.

The standard for a Third Class Certificate will be 30 per cent. on the sum total in each Group.

Cadets who obtain Second Class Certificates will be allowed three months' time towards promotion.

Those who obtain Third Class, but succeed in getting 35 per cent. of the total marks of each Group, will be allowed one and a half month's time towards promotion.

First Class Certificates can be gained only after the course at Greenwich; for these six months' time towards promotion will be allowed.

Prizes will also be given for proficiency in the French Language, in which voluntary classes are held and a bonus of marks, not exceeding 100, is given to candidates showing proficiency in that language.

21. Intermediate Examinations will be held in December, at which Cadets will be required to show satisfactory progress.

22. The Final Examination of Cadets in Professional Subjects and knowledge of engine-room duties will be held by the officers of the Reserve in time for Certificates to be forwarded to the Admiralty by the 9th of June. Certificates of proficiency in Practical Workmanship, from the Chief Engineer of the Dockyard, will also be forwarded by the same date.

These practical Certificates from Reserve and Dockyard will be marked Very Creditable, Creditable, or Ordinary, in accordance with the proficiency of the candidates.

Cadets failing to obtain these certificates are liable to dismissal, but they may be allowed to serve such further period, not exceeding one year, as may be determined upon, and again submit themselves for examination

Cadets who receive Very Creditable Certificates both from the Chief Engineer of the Dockyard and the Reserve Officers will be allowed three months' time towards promotion.

This will be in addition to any time which may be gained under paragraph 27, but subject to the condition that in no case can the total time gained under these Regulations, and by the holding of a First Class Professional Certificate at the Royal Naval College, exceed two years.

23. Cadets will not be entered as Engineer Sub-Lieutenants until they have learned to swim.

24. Cadets who have qualified for the further course of instruction at the Royal Naval College will proceed there on or about the 1st of October following their examination.

In the event of the conduct or qualifications of any Engineer Sub Lieutenants being reported not satisfactory, his promotion to Engineer Lieutenant will be withheld for six months, or for such other period as may be considered desirable.

25. A few Engineer Sub-Lieutenants may be selected annually from those who take the highest place at the examination at the end of the first session at the Royal Naval College, Greenwich to pass through a further course of instruction during a second session. On the examination at the end of the second session two or more Engineer Sub-Lieutenants may be selected to pass through a third and final session. 10. Promotion will be by selection in all grades of the Corps, and in this their Lordships will be guided solely by consideration of special fitness for the vacant appointments. To mark this unmistakably, the names of the gentlemen belonging to the Corps will be arranged in alphabetical order in their respective classes. Annual reports on the Assistant Constructors will be made by the Chief Constructors of the Yards and forwarded by the Superintendents to the Admiralty.

Under certain conditions, and at the request of their parents or guardians living in the immediate neighbourhood, Boy Artificers will be allowed leave to stay at their homes on alternate Saturdays and Sundays.

To Boys proceeding on leave, return tickets, covering the period of leave, are issued at reduced fares by the railway authorities.

SELECTION OF A TRADE.

21. Boy Artificers will be permitted to select, subject to the requirements of His Majesty's Service, which of the four trades of Fitter, Boilermaker, Engine Smith, or Coppersmith they will follow. The selection will be made among the Boy Artificers at each Port independently, and not from the combined list. Opportunities will, however, be afforded them of obtaining an insight into the trades they do not select and also of making working sketches, so as to fit them to carry out all the duties of an Engine Room Artificer in His Majesty's Navy.

EDUCATION AND TRAINING.

22. The duration of the Training will be about four years. During this period the boys undergo a course of general and technical education, in addition to workshop training. Boy Artificers who fail to make satisfactory progress or are guilty of persistent misconduct, may be discharged at any time.

Part I.

At the end of the fourth year an examination will be held as to their fitness as workmen, and in the subjects of the Second Part of the Course.

25 Those who qualify will be rated Engine-Room Artificers 5th Class, and sent to seagoing ships for one year's practical sea experience.

26. On completion of this year, but not before reaching the age of 21, they may be rated Acting Engine-Room Artificers 4th Class, if recommended by the Engineer Officer and approved by the Captain of their Ship, after which they will follow on the lines of other Engine Room Artificers of the Royal Navy, as laid down in the King's Regulations.

Fourth year	9d.
On being rated:—	
Engine-Room Artificer, 5th Class	3s. 0d.
Acting Engine Room Artificer 4th Class	3s. 6d.

The advancement from one rate of pay to the next above will be dependent on Good Conduct and Ability, but Boy Artificers must serve one complete year at one rate before they are eligible to receive the next rate of pay.

The pay and prospects of Engine-room Artificers, 4th Class, entered under this system, will be the same as for Engine-Room Artificers entered direct from the shore.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed Pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Commissioned Warrant Officers, and Warrant Officers pensioned before 1st October 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign state, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(*a*) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(*b*) Lieutenants, Engineer Lieutenants, and Carpenter Lieutenants promoted to that rank from Commissioned Warrant Officers or Warrant Officers.

The Widow of a Commissioned Warrant Officer, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Office of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 2 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 2 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated.—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in *Scotland*, in presence of a Magistrate, according to the Form given, or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (i.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November 1886, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Commissioned Warrant Officers retired after 1st April 1896, with the substantive honorary or relative rank of Lieutenant, Carpenter Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymasters-in-Chief on the Active List.

The same rate may also be awarded to the widows of Fleet Paymasters who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster-in-Chief, on retirement.

16. *Widows of Marine Officers.*

(*a*) *Officers retired before* 29 *June* 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the ACTIVE LIST shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(*b*) *Officers retired after* 29 *June* 1882.

The Widows of Marine Officers retired after 29th June 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within two years shall be considered as persons slain, viz.:—

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

Digitized by Google

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within two years, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) When a Medical Officer retires, or withdraws on a gratuity, his children will have no claim to compassionate allowance.

21. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

22. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

28. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within two years after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

GOOD SERVICE PENSIONS.

The following are the established Good Service Pensions for Naval and Marine Officers:—

Flag Officers, 10 Pensions of 300*l.* a year each, two of which may be held by Vice-Admirals, and two by Rear-Admirals.

Captains, R.N. .	12	Pensions of 150*l.*	a year each
Medical Officers	3	,, 100*l.*	,,
General Officers, Royal Marines	6	,, 200*l.*	,,
Colonels and Lieutenant-Colonels, Royal Marines	2	,, 150*l.*	,,

These Pensions shall not be held in addition to any other Pensions, unless it shall be a Pension conferred for wounds or injuries received in the Service.

The Good Service Pensions for Flag Officers may be conferred on Officers either on the Active or the Retired List, provided, in the case of Retired Officers, that retirement shall have taken place after attaining Flag Rank, and that the Retired Pay, together with the Good Service Pension, shall not exceed the half-pay of an Admiral of the Fleet.

Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, shall be eligible for the award of Good Service Pensions while on the Active List only; but such Pensions may be granted to Medical Officers, and to General Officers of Marines, whether on the Active, Reserved or Retired Lists.

A General Officer who has held a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay on vacating the appointment, together with the Good Service Pension, would amount to more than £950 a year, shall relinquish the Good Service Pension and receive half or retired pay of £950 a year.

A General Officer who has not been in receipt of a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay on vacating the appointment falls short of £950 a year, shall be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of £950 a year, a reduction will be made in the half or retired pay proportionate to such excess.

Officers retired from the position of Colonel Commandant are eligible for the Good Service Pensions for General Officers.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them after being retired; but, in the case of Flag Officers, if the Retired Pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains, Royal Navy, shall relinquish their Good Service Pensions on retirement, and no Captain will be allowed to receive any addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in case of retirement for ill-health caused by the service. In such cases Officers will receive, at the discretion of the Admiralty, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the increase over the minimum will be at the rate of 15*l.* for each year's service in excess of 20 years. In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Colonels and Lieutenant-Colonels, Royal Marines, retired from those ranks shall be allowed to receive, in retired pay, together with Good Service Pension a sum not exceeding £600 a year; but, should the two together exceed that sum, they will be retired on £600 relinquishing their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenant Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be Flag Officers or General Officers on the Active List.

Flag Officers and Captains are allowed to receive their Good Service Pensions, notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officers holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

A Flag Officer shall give up his Good Service Pension if he is appointed Naval Aide-de-Camp to His Majesty.

A Naval Aide-de-Camp to His Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An officer promoted in pursuance of His Majesty's pleasure to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February 1870, Section X. para. 7, shall in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

GREENWICH HOSPITAL.

NOTE.—For Greenwich Hospital Pensions to *Officers* see p. 919.

GREENWICH HOSPITAL PENSIONS.

These Pensions are the "Age" and "Special Pensions."

They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good.

Age Pensions are given to Naval Pensioners only (i.e., to Seamen, Marines, Coast Guard Naval Pensioners, Yard Craftsmen, and Riggers of Dockyard).

Age Pensions are given only to Life Pensioners.

A Naval Pensioner is eligible for the Age Pension of 5d. a day on attaining the age of 55, if he has been in receipt of his pension for 5 years; and for the increase of such age pension to 9d. a day at the age of 65, if he has been in receipt of his Naval Pension for 10 years.

The number of Pensions in force at any one time is limited, and will be determined from time to time according to the funds available for the purpose; the vacancies to be filled by those whose health renders them incapable of making any exertion towards earning a living.

These regulations are not to affect any Pensioner in receipt of an Age Pension in July, 1878, or any Pensioner who, being already in receipt of 5d. a day, will be eligible for the additional 4d. a day on attaining the age of 65.

The Deferred Pension of Marines gives no claim to the Age Pension.

Special Pensions are given, at the discretion of, and under Regulations framed by, the Admiralty, to men unable to contribute materially to their own support, and vary in amount and duration according to each man's degree of disability, and the other circumstances of his case.

They are tenable in addition to Naval and Age Pensions, subject, however, to the limits expressed in the following List:—

Class I. Naval Pensioners with Life Pensions—

If unable to maintain themselves	Pension (including Age as well as Naval Pension) made up to from 1s. to 1s. 6d. a day.

Class II. Men who have 12 years' service, served continuously or with short intervals—

If able to contribute in a small degree to their own support.	9d. a day.	Pension awarded of from 6d. to 9d. a day.

Classes III. and IV. Men who have *not less than* 5 *years'* service counting towards pension, and who have been discharged or invalided on account of disease or wounds and whose disability is clearly the result of such disease or wounds.

Men who have been discharged or invalided on account of disease or wounds *clearly attributable* to the service, and whose present disability is clearly the result of such disease or wounds—

	If in receipt of Temporary Pensions.	If not in receipt of Naval Pensions.
When unable to maintain themselves	Pension made up to from 1s. to 1s. 3d. a day.	Pension awarded from 9d. to 1s. a day.
If able to contribute in a small degree to their own support	Nil.	Pension awarded of 6d. a day.

Class V. Special cases, including—

Men who have been granted a war medal or clasp; or who were employed in the Franklin Search Expedition; or who were injured on duty, or who contributed to the funds of Greenwich Hospital before 1 January 1830—

If unable to maintain themselves	Pension awarded from 1s. to 1s. 3d. a day.
If able to contribute in a small degree to their own support	Pension awarded of 6d. to 9d. a day.

In cases of exceptional need, or distress special Pensions in excess of the above rates may be granted within a maximum of 2s. 6d. a day

---

Men discharged for venereal complaints, unless they are life pensioners, or whose general character has been inferior to "good," or who were discharged in good health with less than 12 years' service, unless they come under Class V., are ineligible for Special Pensions, as are men in workhouses, unless removed by their friends.

Men eligible for the benefits of Greenwich Hospital may be admitted to Hospitals when their cases require urgent and temporary treatment, or may be granted a special allowance (not to exceed, however, including all other pensions 2s. 6d. a day) in lieu of treatment.

(50.) The Lords Commissioners of the Admiralty have power to grant temporary Acting Commissions and Acting Appointments in the Royal Naval Reserve to Officers who volunteer to serve in hired vessels in time of emergency or otherwise.

XVII.—*Assistant Paymasters for Service in the Royal Navy, under Order in Council of 7th March*, 1904.

(51. Under the authority of the "Royal Naval Reserve Officers Act, 1863" (26 & 27 Vict. c. 69.), as amended by Act 35 & 36 Vict. c. 73., the Lords Commissioners of the Admiralty have formed a Reserve of Accountant Officers for service in the Royal Navy in emergencies.

2. It will consist of a certain number of Assistant Paymasters who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.

3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.

(52.) To be eligible for a commission as Assistant Paymaster, R.N.R., candidates must be between 21 and 30 years of age, with a good knowledge of, and at least three years' experience in, the keeping of accounts. They will be required to produce thoroughly satisfactory testimonials from the firms in which they are employed, and to present themselves before a Board of Selection at the Admiralty.

2. Every candidate will be required to pass a medical examination before the Medical Director-General of the Navy; he must be in good health, well-developed and active, free from any physical defect of body, impediment of speech, defect of hearing, or serious defect of sight, and also from any predisposition to constitutional or hereditary disease or weakness of any kind. The case of a short-sighted candidate, in other respects fit, will be specially considered on its merits.

(53.) Candidates for Assistant Paymasters who pass the medical examination and are provisionally accepted by the Board of Selection will be required to attend a preliminary course of instruction in the evenings, for at least a fortnight, and if satisfactorily reported on by the Instructing Officer, they will be given an appointment as Acting Assistant Paymaster, R.N.R.

2. This preliminary instruction will be followed by training on board one of H.M. ships on the Home Station for a minimum period of 14 days and a maximum of one month, to be repeated for three years, or until they pass an examination and are reported qualified for confirmation in their rank. The course of instruction will include the practical duties of Accountant Officers in regard to Naval Accounts and payments, and in regard to the receipt, issue, care, and preservation of provisions, clothing, and other stores on board H.M. ships.

3 Any Acting Officer, who, after three yearly courses of instruction, may not be found fully suitable in every respect to hold a Commission, will not be confirmed in the rank, but will cease to belong to the Reserve.

4. The convenience of the firms will be studied in arranging the dates of embarkation, but it is very desirable that the first period of training in the Fleet should be as long as possible.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Assistant Paymasters, and with this object they should be regarded as forming part of the staff of the Paymaster.

2. It is to be understood that, whilst the minimum period of training has been fixed at a fortnight, and the maximum at a month, each year, these Officers must be discharged in time to enable them to keep their engagements with their employers. Railway passes may be given to them either to London or to any net more distant place and the usual travelling expenses may be paid to them.

3. At the end of the course of training a report is to be made as to the progress which they have made and whether they display the qualities expected of gentlemen filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Officers will be further expected, until confirmed in their rank, to attend the evening classes of instruction for about ten days in each year; and after confirmation they will be required to keep themselves efficient either by attending classes of instruction or by further training in the Fleet, as may be practicable.

(56.) Assistant Paymasters, R.N.R., will rank with, but after, Assistant Paymasters of the Royal Navy.

2. When on duty they will wear the uniform established for Officers of the Royal Naval Reserve If called out for service in emergency they will be granted the sum of 30*l.* for equipment. Before embarking for training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for occasions of ceremony will be optional.

3. They are authorised to wear uniform when serving in H.M. Ships and on State occasions.

4. They will mess in the Wardroom, paying the ordinary mess subscription of 2s. a day and other small expenses.

(57.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training, they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay of 10s.

(58.) No money allowance will be granted to Officers attending classes of instruction. Travelling expenses to and from the port of embarkation for training will be paid by the Admiralty.

2. Classes of instruction are held in the evening at the Admiralty, Whitehall

(59.) Assistant Paymasters R.N.R., will, except when called out in emergency, be permitted to tender the resignation of their Commissions at any time. They will be liable to forfeit their Commissions should the Admiralty for any reason have no further need of their services.

2. Officers who leave the Active List for any reason before the completion of 10 years service are liable to be called upon to resign their Commissions.

3. On reaching the age of 40, or at their own request at 35, Officers who have been confirmed in their rank and who have served not less than 10 years in the Reserve, will be placed on a retired list of Assistant Paymasters R.N.R., at the discretion of the Admiralty.

4. Assistant Paymasters, R.N.R., placed on the retired list may, under exceptional circumstances, be granted a step in rank at the discretion of the Admiralty.

(60.) Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst under training in the Fleet, will receive compensation in accordance with the scale applicable in the case of Assistant Paymasters of six years seniority in the Royal Navy. If they are killed in action, or die from accident resulting from the performance of their duty, their widows and children will similarly receive allowances in conformity with the regulations.

(61.) When Assistant Paymasters, R.N.R., are embarked for training, bedding, &c., as laid down in the Regulations, may be drawn for them.

REGULATIONS RESPECTING FOREIGN ORDERS.

Under the Regulations dated August 1885 *and June* 1898, *as modified by subsequent Orders.*

1. No Subject of His Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained His Majesty's permission to that effect, signified by a Warrant under His Royal Sign-Manual.

2. "Unless the Foreign Decoration shall have been conferred in consequence of active and distinguished Service, either at Sea or in the Field, such permission will not be given to any Subject of His Majesty, except in the following cases, if recommended specially by the Secretary of State for Foreign Affairs:—

"(a) The Chief of a Complimentary Mission from His Majesty.

"(b) A Military or Naval Attaché on the termination of his Appointment.

"(c) Any person, not at the time in the Service of His Majesty, who has rendered valuable service to the Sovereign bestowing the order outside His Majesty's Dominions, or in an Embassy or Legation of that Sovereign in this country."

2a. When a Foreign Decoration is conferred upon a Naval or Military Attache on the termination of his appointment, he shall only wear it when in the presence of the King, or other Members of the Royal Family, or of the Foreign Sovereign bestowing the Order, or where the recipient shall meet at any public function, in full uniform, an Officer of the Country to which the Decoration belongs.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of His Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, His Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from Naval or Military Services before the Enemy, refer it to His Majesty's Principal Secretary of State for the War Department, previously to taking His Majesty's pleasure thereupon, in order to ascertain whether there be any objection to His Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that His Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

9. When a British subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a Higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by His Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 1 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the Decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or Navy, should be addressed to the Commander-in-Chief, or the Lords of the Admiralty, as the case may be, who, if they see fit, may submit the same for His Majesty's sanction; upon obtaining which they may grant such permission without other formality.

2. Any other British subject, having obtained His Majesty's permission, is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour"

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore

commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

*Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

*Under Her late Majesty's Order in Council, of the 2nd of February, 1899, their Lordships are authorised to increase the ordinary Victoria Cross Annuity of Ten Pounds, by a sum not exceeding Forty Pounds a year, in any case in which a Warrant Officer, Petty Officer, Seaman or Marine, who has gained the Victoria Cross, may be found by them to be, from old age or infirmity, not due to his own fault, in poor circumstances, and unable to earn a living; provided that the Annuity, together with any Pensions of which he may be in receipt from Public Funds, shall not exceed Fifty Pounds a year."

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is Our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our Reign.

By Her Majesty's command,

HUGH C. E. CHILDERS.

THE ROYAL RED CROSS.

VICTORIA R.

WHEREAS We have been pleased to take into Our consideration the services rendered by certain persons in nursing the sick and wounded of Our Army and Navy, and have resolved specially to recognise individual instances of special devotion in such service: Now, for the purpose of attaining this end, We have instituted, constituted, and created, and by these presents for Us, Our Heirs and Successors, do institute, constitute, and create a decoration, to be designated as hereinafter prescribed; and We are pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—The decoration shall be styled and designated "The Royal Red Cross," and shall consist of a Cross, enamelled crimson, edged with gold, having on the Arms thereof the words Faith, Hope, Charity, with the date of the institution of the decoration; the centre having thereon Our Effigy.

On the reverse side Our Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

Secondly.—The cross shall be attached to a dark blue ribband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves for the nursing of the sick and wounded of Foreign Armies and Navies.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War for special exertions in providing for the nursing of sick and wounded soldiers and sailors of Our Army and Navy.

Fifthly.—It shall be competent for Us, Our Heirs and Successors, to confer this decoration upon any Nursing Sisters, or other persons engaged in nursing duties whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War, or, as the case may be, by the First Lord of the Admiralty through Our said Secretary of State, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Sixthly.—The names of those upon whom we may be pleased to confer the decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under Our Sign Manual, from the register of those upon whom the said decoration shall have been conferred.

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Given at Our Court at *Windsor*, this eleventh day of *December*, one thousand eight hundred and ninety-seven, in the sixty-first year of Our Reign.

By Her Majesty's Command.

LANSDOWNE.

MEDALS, ANNUITIES AND GRATUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of His Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1896, the grant of an Annuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines.

By Order in Council of 20th May, 1903, a Seaman or Marine holding the Conspicuous Gallantry Medal unaccompanied by an Annuity may be awarded at the discretion of the Admiralty, a gratuity of £20 on discharge at the completion of his term of active service, or on being invalided from the service, or on promotion to a commission.

A Seaman, or Marine who has been awarded the Distinguished Conduct Medal for service under the War Office may be awarded, at the discretion of the Admiralty, a gratuity of the same amount, when similarly discharged from the service or promoted to commissioned rank, except when such seaman or marine may be in possession of the Naval Conspicuous Gallantry Medal accompanied by an Annuity.

VICTORIA R. & I.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, Empress of India, to all to whom these presents shall come greeting:

Whereas We have taken into Our Royal consideration that the means of adequately rewarding the distinguished services of Officers in Our Naval and Military Services who have been honourably mentioned in Despatches are limited; now for the purpose of attaining an end so desirable as that of rewarding individual instances of meritorious or distinguished service in war, We have instituted and created by these presents, for Us, Our Heirs and Successors, do institute and create a new Naval and Military Order of Distinction—to be designated as hereinafter described—which We are desirous should be highly prized by the Officers of Our Naval and Military Services, and We are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall henceforth be inviolably observed and kept;

Fifthly. It is ordained that Foreign Officers who have been associated in Naval and Military operations with Our Forces shall be eligible to be Honorary Members of this Order.

Lastly. We reserve to Ourself, Our Heirs, and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations or any part thereof by a notification under the Sign Manual of the Sovereign of the Order.

Given at Our Court at Balmoral, this sixth day of September, in the fiftieth year of Our Reign and in the year of Our Lord one thousand eight hundred and eighty-six.

By Her Majesty's Command,
W. H. SMITH.

EDWARD R. & I.

EDWARD, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, Sovereign of the Distinguished Service Order, to all to whom these presents shall come, greeting.

Whereas Her late Majesty, Our Beloved Mother, Queen Victoria, by a Warrant under Her Royal Sign Manual, countersigned by one of Her Principal Secretaries of State, and bearing date at Her Court at Balmoral the sixth day of September, one thousand eight hundred and eighty-six, in the fiftieth year of Her reign, did institute and create a new naval and military order of distinction, to be styled and designated the "Distinguished Service Order."

And whereas by the said Royal Warrant it was, among other things, ordained that the said order should rank next to, and immediately after, Our order of the Indian Empire, and that the badge of the order should have on the reverse Her late Majesty's Imperial and Royal Cypher, V.R.I.

And whereas We have thought fit to signify Our Royal Will and Pleasure that the said Order shall rank next to, and immediately after, Our Royal Victorian Order, and that the badge shall have on the reverse Our Imperial and Royal Cypher, E.R.I.

Now, therefore, We do, by these presents for Us, Our Heirs and Successors, ordain and appoint: Firstly, that the Distinguished Service Order shall rank next to and immediately after, Our Royal Victorian Order, and that the companions thereof shall, in all places and assemblies whatsoever, have place and precedency next to and immediately after, the members of Our said Royal Victorian Order, and shall rank among themselves according to the dates of their respective nomination. Whereas Her late Majesty Queen Victoria, being desirous of distinguishing by some mark of Her Royal Favour the many heroic acts performed by Mariners and others who endanger their own lives in saving or endeavouring to save the lives of others from shipwrecks and other perils of the sea; and the many heroic acts performed on land by those who endanger their own lives in saving or endeavouring to save the lives of others from accidents in mines, on railways, and at fires, or other peril within Her Dominions, other than perils of the sea, did, by Warrants under the Royal Sign Manual bearing date respectively the 7th March, 1866, the 12th April, 1867, and the 30th April, 1877, institute and create for Herself, Her Heirs and Successors, as a mark of Royal Approbation of such heroic acts, new Decorations styled respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," inscribed "For Gallantry in Saving Life at Sea," and Decorations similarly styled but inscribed "For Gallantry in Saving Life on Land," which Decorations Her Majesty was desirous should be highly prized and eagerly sought after:

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

737. Men holding any of the Ratings specified as eligible for these awards in Appendix XV.A., Part I. who entered the Service prior to 1st January, 1883, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

(*a.*) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;

(*b.*) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.

(*c*) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters M.R. (Medal Recommended), if he should consider him deserving thereof from his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "very Good" character, the Captain will in like manner add the letters G. R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article, and Clause 4 of Art. 738.

5. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (*b*), of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8 To entitle a man to a Gratuity:—

(*a.*) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good, unless for a period not exceeding one year in his first five years reckoning for pension.

(*b.*) He must have been awarded the Medal and have never forfeited it.

(*c.*) He must have been recommended for the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.

(*d.*) He must have been continuously awarded the character "Very Good" since he received the Medal.

(*e.*) He must have completed time for Long Service Pension unless previously invalided, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

	£
Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years..	20
First Class Petty Officers, having served as such for not less than 10 years ..	15
Second Class Petty Officers, having served as such for not less than seven years..	10
Leading Seamen, having served as such for not less than five years..	7
Able Seamen, and others	5

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8 and 15 to 22, of Article 738, are applicable to men who joined the Service before 1st January, 1885.

(*b.*) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

(*c.*) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1, has been awarded 12 years continuous "Very Good" character as, under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 816 and 818, Clause 3.

4. Desertion and Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class at the earliest date possible.

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l.* a year, which is not to be paid until he completes time for Pension. If invalided before completing time for pension, he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings, after the date of the award of the Medal, will be added—

2nd Class Petty Officer	10	0	0
Leading Seaman	7	10	0
Able Seaman	5	0	0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz., 5*l.*, will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a Gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid a Gratuity on completing time for Pension, and whose Pension is not secured to him under Art. **1939A**, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing.

18. No service can reckon for Medal or Gratuity which does not reckon for Pension.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, imprisonment or misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, as soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty as soon as the Men become eligible for them on Form S. 218, accompanied by their Service Certificates, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

5. In order not entirely to exclude from the honour of a Medal, a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider with reference to the grant of a Medal without Gratuity the case of any Marine who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-clause *b* and Clause 4 of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

15. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter, on the Men becoming eligible for the award.

16. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

17. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, but not more than the lowest scale of Gratuity, viz. 5l., will be awarded.

18. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

19. If a Marine should die after the award of the Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

20. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity

21. In Cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

22. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by further service for a higher rate of Gratuity may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

23. In the case of a Marine who has been paid a Good Conduct Gratuity on completing time for pension, any Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge,

24. Whenever the Captain sees fit to withhold the required recommendation, he will record fully the reasons in the Conduct Book, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will direct the corresponding record at the Divisional Head Quarters.

25. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

26. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

27. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or his recommendations for Medal or Gratuity, provided that, should he be eligible for re entry, he re-enters as soon as the state of his health will permit, and completes the required service.

28 The service of a Marine who reverts to the ranks after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

29. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

30. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Deputy Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship and in the case of Marines on shore, by the Commandants on parade.

1191. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service amongst Sergeants who have completed 21 years' service, to be granted either before or after discharge. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Deputy Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

1192. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. 160.

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Officers of the Military Branch on this List are required to requalify in Gunnery or Torpedo from time to time, and to attend courses at Portsmouth and Devonport under the following Regulations:—

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering.

The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Gentlemen who are invited to place their names on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which may be obtained on application to the Admiralty, shewing the nature of the service which they are prepared to offer.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, *as modified by Order in Council of 17th February* 1886, *see* p. 951.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all predecence and advantages (except command) attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedency of Military and Naval Officers in command of His Majesty's Forces:

a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the Regulations on that subject.

c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieutenant-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

We do, therefore, now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of Prize Money, shall be made as follows, viz.:—

That the flag officer or officers shall have one-thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say:—

When there is but one flag officer he shall have the entire one-thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers: commodores of the first-class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted:—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer

whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

Every commodore of the second class shall share as captain.

And We hereby direct, that the captain appointed as chief of staff, captain, commander, lieutenant commanding, staff commander commanding, or any other officer duly commanding any ship or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag officer to share, one-tenth of the entire net proceeds, except that if the single capturing ship be a classed ship having a commander under the captain the commander shall take a portion of the one-tenth part according to the proportion herein-after set forth: and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, and staff commanders commanding, respectively, of ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts; each commander commanding, or commander under the captain in a rated ship, three parts; and each lieutenant commanding, or staff commander commanding, or other officer actually commanding, a vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; colonel of marines (artillery or light infantry) or of land forces serving as marines doing duty with a battalion or force employed on shore for naval operations to share as captains; lieutenant-colonel of marines (artillery or light infantry) or of land forces serving as marines, employed on shore for naval operations, if in actual command of a battalion or force to share as captains, if second in command to share as commanders; major of marines (artillery or light infantry), or of land forces serving as marines employed on shore for naval operations, if in actual command of a battalion or force to share as commanders. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in eleven classes, so that each officer, man, and boy composing the rest of the complements of Our ships and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid, and every person present and assisting shall receive shares or a share, according to his class, as set forth in the following scale:—
